The entire cost of the solicitation will be borne by the Company.

Unless otherwise indicated, the information contained in this Circular is given as at May 31, 2018.

Dollar (\$) amounts stated in this Circular are references to United States Dollars, unless expressed otherwise.

APPOINTMENT AND REVOCATION OF PROXIES

A Shareholder entitled to attend and vote at the Meeting is entitled to appoint a proxy (or proxies) to attend, speak and vote instead of that Shareholder and a proxy need not be a Shareholder. The persons named in the

enclosed form of proxy are directors of the Company (“**Directors**”) and the Company’s General Counsel. A Shareholder desiring to appoint some other person to represent him, her or it at the Meeting may do so by inserting such person’s name, who need not be a Shareholder, in the blank space provided in the form of proxy and striking out the names of the persons specified or by completing another proper form of proxy. Proxies may also be submitted electronically pursuant to the instructions which accompany this Circular. In all cases, the completed proxy is to be deposited at, or supplied to, the offices of Computershare Investor Services Inc. (“**Computershare**”), 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1 by not later than 09:00 a.m. (UK time) on Monday, June 25, 2018 or 48 hours (not including any part of a day that is not a working day) prior to the time of any adjournment or postponement of the Meeting (or such earlier time as required by the applicable nominee).

A Shareholder giving a proxy has the right to revoke the proxy by instrument in writing executed by the Shareholder or by the Shareholder’s attorney authorised in writing and deposited at the registered office of the Company at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the date of the Meeting, or any adjournment thereof, or in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the enclosed form of proxy will vote the shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them and, if a choice is specified by the Shareholder appointing them, the shares will be voted in accordance with such choice. In the absence of such direction, such shares will be voted FOR all of the matters referred to in the Notice of Meeting and FOR the reappointment of the relevant Directors.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to any amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing this Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

On May 31, 2018, the Company had issued and outstanding 10,603,153 common shares (each, a “**Common Share**”), each carrying the right of one vote per share.

To the knowledge of the Directors and officers of the Company, other than as set out below, no person beneficially owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the votes attached to all Common Shares. Allan Gray Proprietary Limited, a South African investment fund manager, has disclosed that two funds of which it is the manager beneficially own, directly or indirectly, and that it exercises control or direction over, 2,130,668 Common Shares (which it holds in the form of Depositary Interests), representing 20.0946% of the issued and outstanding Common Shares.

RECORD DATE

The board of Directors (“**Board of Directors**” or the “**Board**”) has fixed the record date as May 23, 2018 for the purpose of determining who is entitled to receive Notice of Meeting. Shareholders entitled to vote at the Meeting will be the Shareholders registered in the register of members at 09:00 a.m. (UK time) on Monday, June 25, 2018 (or, in the event of any adjournment, 48 hours (not including any part of a day that is not a working day) prior to the time of the adjourned Meeting), and transfers registered after that time shall be disregarded in determining entitlements to attend and vote at the Meeting. The failure of any Shareholder to receive the Notice of Meeting will not deprive the Shareholder of the right to vote at the Meeting.

QUORUM REQUIREMENTS

The quorum requirement for the Meeting is that there be two Shareholders present in person or by proxy together holding or representing by proxy not less than 5% of the issued shares of the Company. As the Company has 10,603,153 Common Shares issued the requirement for the Meeting will be that there be shareholder representation of at least 530,158 Common Shares.

VOTING BY REGISTERED SHAREHOLDERS

A registered Shareholder is a person whose shares are registered directly in its own name in the register of members maintained for the Company by the transfer agent and registrar, Computershare.

In order to ensure representation at the Meeting, registered Shareholders must complete, date and sign the enclosed form of proxy, or other appropriate form of proxy and, in either case: (i) deliver the completed proxy to the Company's transfer agent, Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1 in the addressed envelope enclosed; or (ii) submit the completed proxy to Computershare, facsimile number (416) 263-9524 or 1-866-249-7775, by no later than 09:00 a.m. (UK time) on Monday, June 25, 2018 or 48 hours (not including any part of a day that is not a working day) prior to the time of any adjournment or postponement of the Meeting.

NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or duly appointed proxy holders are permitted to vote at the Meeting. Most Shareholders are "non-registered" shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered Shareholder in respect of shares which are held on behalf of that person (the "**Non-Registered Holder**") but which are registered either: (a) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as CDS & Co, the nominee of CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant. **Non-Registered Holders are advised that only proxies from Shareholders of record will be recognised and voted at the Meeting.** In accordance with the requirements as set out in National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company has distributed copies of the Notice of Meeting, this Circular and the form of proxy (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Company's registrar and transfer agent as provided above; or
- (b) more typically, be given a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "**proxy authorisation form**") which the Intermediary must follow. Typically, the proxy authorisation form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorisation form will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label

containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorisation form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit a Non-Registered Holder to direct the voting of the shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxy holders named in the form and insert the Non-Registered Holder's name in the blank space provided.

Holders of Depositary Interests will be invited to attend the Meeting by Computershare Company Nominees Limited in its capacity as custodian for the Depositary Interests and on behalf of the Company. If you are a holder of Depositary Interests, please fill in the form of instruction (the "**Form of Instruction**") provided and return such Form of Instruction to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY, United Kingdom, not less than 72 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof. The completion and return of the Form of Instruction will not preclude you from attending the Meeting and voting in person if you so wish. Should you wish to attend the Meeting and/or vote at the Meeting please notify Computershare Investor Services PLC in writing at the address above or email !UKALLDITeam2@computershare.co.uk.

In all cases, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorisation form is to be delivered.

ELECTRONIC VOTING INSTRUCTIONS VIA THE CREST VOTING SYSTEM

Depositary Interest holders who are CREST members and who wish to issue instructions through the CREST electronic voting appointment service may do so by using the procedures described in the CREST manual (available from www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting services provider(s), who will be able to take the appropriate action on their behalf.

In order for instructions made using the CREST service to be valid, the appropriate CREST message (a CREST Voting Instruction) must be properly authenticated in accordance with the specifications of Euroclear UK & Ireland Limited ("EUI") and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it relates to the voting instruction or to an amendment to the instruction given to Computershare Investor Services PLC must, in order to be valid, be transmitted so as to be received by Computershare Investor Services PLC (CREST ID 3RA50) not less than 72 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the CREST voting instruction by the CREST applications host) from which Computershare Investor Services PLC is able to retrieve the CREST voting instruction by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST voting instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that the CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a CREST voting instruction is transmitted by means of the CREST service by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST voting instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

You may not use any electronic address provided in this document to communicate with the Company for any purposes other than those expressly stated.

All of the nominees are now members of the Board of Directors and have been since the dates indicated above. **The persons named in the enclosed proxy form, if named as proxy, intend to vote FOR the reappointment of the above nominees unless a Shareholder has specified in his proxy that his shares are to be voted against such resolutions.** Management does not contemplate that any of the nominees will be unable to serve as a Director but, if that should occur for any reason prior to the Meeting, the persons named in the enclosed form of proxy reserve the right to vote for another nominee in their discretion.

Bankruptcy, Insolvency and Cease-Trade Order

To the knowledge of the Company, except as noted below, none of the nominees:

- (a) is, as of the date of this Circular, nor has been within ten years before the date of this Circular, a director, chief executive officer or chief financial officer of a corporation that: (i) was subject to a cease trade order, an order similar to a cease trade order or an order which denied the relevant corporation access to any exemption under securities legislation which was in effect for a period of more than 30 consecutive days that was issued while the nominee was acting in the capacity of director, chief executive officer or chief financial officer; or (ii) was subject to a cease trade order, an order similar to a cease trade order or an order which denied the relevant corporation access to any exemption under securities legislation that was issued after the nominee ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity of director, chief executive officer or chief financial officer;
- (b) is, as of the date of this Circular, nor has been within ten years before the date of this Circular, a director or executive officer of any corporation, including the Company, that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or

At the date of this Circular Johan Holtzhausen is also a director of a public issuer, being DRDGOLD Limited.

APPOINTMENT OF AUDITOR

The Shareholders will be asked to vote for the appointment of Grant Thornton Johannesburg Partnership (“**Grant Thornton**”) as auditor of the Company to hold office until the next annual general meeting of Shareholders or until its successor is duly appointed, at remuneration to be settled by the Board of Directors.

KPMG Inc. has been the auditor of the Company since April 30, 2013. The Audit Committee of the Board of Directors has conducted a review of the Company’s audit requirements and, as a result of this review, the Audit Committee determined to recommend changing the Company’s auditor from KPMG Inc. to Grant Thornton effective as of and conditional upon the passing of a resolution of the shareholders at the Meeting, being the date of expiry of KPMG Inc.’s current appointment, to appoint Grant Thornton as the Company’s auditor for the ensuing year. On May 8, 2018, the Board of Directors approved the recommendation of the Audit Committee described above and resolved that a resolution to appoint Grant Thornton at the Meeting be put to the Company’s shareholders. KPMG Inc. is therefore not being proposed for reappointment at the Meeting.

Attached at Appendix “D” are copies of the “reporting package” documents comprised of the letters which have been provided by the former auditor and the new auditor and the Notice of Change of Auditors dated May 11, 2018. As set out in the letters, no report of KPMG Inc. has expressed a modified opinion on the Company’s financial statements relating to any period since January 1, 2016 and there are no “reportable events” as defined under the applicable securities regulation.

The persons named in the enclosed form of proxy, if named as proxy, intend to vote FOR the resolution regarding the appointment of Grant Thornton as the Company’s auditor and the authorisation of the Directors to fix the auditor’s remuneration unless a Shareholder has specified in his proxy that his shares are to be voted against such resolution.

APPOINTMENT OF AUDIT COMMITTEE MEMBERS

In accordance with the charter of the Audit Committee of the Board of Directors (a copy of which is set out at Appendix “C”), Shareholders will be asked to reappoint certain Directors as members of the Audit Committee of the Board for the ensuing year, each such resolution to be proposed as a separate resolution. Each of the nominees, which are members of the Board, satisfies the eligibility requirements for serving on the Audit Committee as set out in the charter of the Committee.

The persons named in the enclosed form of proxy, if named as proxy, intend to vote FOR the resolutions regarding the reappointment of the above nominees unless a Shareholder has specified in his proxy that his shares are to be voted against such resolutions. Management does not contemplate that any of the nominees will be unable to serve as a member of the Audit Committee but, if that should occur for any reason prior to the Meeting or if a nominee is not reappointed as a Director at the Meeting, the persons named in the enclosed form of proxy reserve the right to vote for another nominee proposed by the chairman of the Meeting at their discretion.

APPROVAL AND AUTHORIZATION OF UNALLOCATED AWARDS UNDER THE COMPANY’S 2015 OMNIBUS EQUITY INCENTIVE COMPENSATION PLAN

The Company’s 2015 Omnibus Equity Incentive Compensation Plan (the “**Plan**”) was approved by Shareholders at the annual shareholder meeting held on May 14, 2015. A summary of the Plan and the awards issued and issuable under it are set out in the sections entitled “Equity Compensation Plan Information” and “Equity Compensation” below. The summary of the Plan is qualified in its entirety by reference to the text of the Plan a copy of which was appended to the Company’s management information circular for the meeting at which it was approved (available at www.sedar.com) and is also available on the Company’s website.

The Toronto Stock Exchange (the “**TSX**”) requires that every three (3) years after the institution of a security based compensation arrangement which does not have a fixed maximum number of securities issuable all unallocated rights,

options or other entitlements under such arrangement must be approved by a majority of an issuer's directors and by the issuer's shareholders.

As the Plan is a security based compensation arrangement and as the maximum number of awards issuable pursuant to the Plan is not a fixed number, approval is being sought at the Meeting to approve the grant of unallocated awards under the Plan.

If approval is obtained at the Meeting we will not be required to seek further approval of the grant of unallocated awards under the Plan until June 27, 2021. If approval is not obtained at the Meeting, awards which have not been allocated as of May 14, 2018 and awards which are outstanding as of May 14, 2018 and which are subsequently cancelled, terminated or exercised will not be available for a new grant of awards. Previously allocated awards will continue to be unaffected by the approval or disapproval of the resolution. As described under "Compensation Discussion and Analysis" below, the Plan is an important component of our overall compensation structure and is critical to our ability to attract and retain qualified and dedicated personnel.

If approval of the unallocated awards is not obtained at the Meeting, we may need to pursue substitute forms of incentives which may prove to be less effective and more costly. In light of the foregoing, the Board has, subject to ratification by Shareholders, unanimously approved the unallocated awards under the Plan and recommends that Shareholders vote in favour of approval of the resolution.

In order to be approved, the resolution must receive a simple majority of the votes cast by Shareholders who vote in person or by proxy at the Meeting in respect of the resolution.

The persons named in the enclosed form of proxy, if named as proxy, intend to vote FOR the resolution regarding the approval and authorization of unallocated awards to acquire securities under the Plan unless a Shareholder has specified in his proxy that his shares are to be voted against such resolution.

OTHER MATTERS TO BE ACTED UPON

The management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. Should any other matters properly come before the Meeting, the Common Shares represented by the proxy solicited hereby will be voted on such matters in accordance with the best judgment of the person voting such proxy.

As of the date of this Circular, the Company has 10,603,153 Common Shares issued and outstanding. Options cannot be granted on this date as to more than 1,060,315 Common Shares, being 10% of the issued and outstanding Common Shares. As of the date of this Circular, the Company has granted options pursuant to the Plan to one of its Directors and certain of its service providers exercisable for 38,000 Common Shares (representing approximately 0.36% of the Common Shares issued and outstanding). Therefore, the Company could, based on the present issued Common Shares and provided that unallocated awards under the Plan are approved by Shareholders at the Meeting, issue options exercisable for an additional 1,022,315 Common Shares (approximately 9.64%), on the assumption that all of the RSUs and PSUs are settled in cash only. All options vested on award and the names of option holders, exercise prices, expiry dates and numbers of options are as follows:

TOTAL				38,000

*The exercise price of Can\$9.30 per share was converted into a USD amount of \$7.35 at the prevailing USD/Can\$ exchange rate on grant date.

In terms of the Plan, the expiry of the options that expire in a closed period will be extended by 10 days from the cessation of the closed period.

Employees, Directors and consultants of the Company and its affiliates are eligible to participate in the Plan (the “**Eligible Participants**” and, following the grant of an award (an “**Award**”) pursuant to the Plan, the “**Participants**”). The purposes of the Plan is: (i) to promote a significant alignment between Eligible Participants and the growth objectives of the Company; (ii) to associate a portion of Participants’ compensation with the performance of the Company over the long term; and (iii) to attract, motivate and retain the critical employees to drive the business success of the Company.

The Board or a committee authorised by the Board (the “**Committee**”) is responsible for administering the Plan. The Committee has full and exclusive discretionary power to interpret the terms and the intent of the Plan and any Award agreement or other agreement in connection with the Plan, to determine eligibility for Awards, and to adopt such rules, regulations and guidelines for administering the Plan as the Committee may deem necessary or proper. The Plan permits the Committee to grant Awards for stock options (“**Options**”), share appreciation rights (“**SARs**”) restricted shares (“**Restricted Shares**”), RSUs, deferred stock units (“**DSUs**”), performance shares (“**Performance Shares**”), PSUs and share-based awards (“**SBA**s”) to Eligible Participants.

The number of Common Shares reserved for issuance to participants under the Plan and all other share compensation arrangements of the Company will not exceed an aggregate of 10% of the issued and outstanding Common Shares from time to time. Subject to applicable law, the requirements of the TSX and any shareholder or other approval which may be required, the Board may in its discretion amend the Plan to increase such limit without notice to any Participants.

The number of Common Shares reserved for issue pursuant to all share compensation arrangements to insiders of the Company will not exceed an aggregate of 10% of the aggregate outstanding Common Shares. Within any one-year period, the number of Common Shares issued to insiders pursuant to the Plan and all other share compensation arrangements of the Company will not exceed an aggregate of 10% of the aggregate outstanding Common Shares.

The number of Common Shares equivalent to the number of Awards that have been issued, exercised, terminated, cancelled, redeemed, repurchased or expired, at any time, are immediately re-reserved for issuance under the Plan and available for future issuances subject to the limits contained in the Plan. The Plan does not provide for financial assistance to Participants with respect to an Award granted under the Plan except that procedures allowing for “cashless exercise” of Options may be permitted whereby a participant may receive the net value of an Option that is exercised without paying the exercise price directly.

All Awards made under the Plan, including but not limited to all Options, RSUs and PSUs, were consolidated on the same 1:5 basis as the effective 1:5 share consolidation which occurred on June 26, 2017.

Options

An Option is a conditional right to purchase Common Shares at a stated option price for a specified period of time. The Committee may grant Options to any Eligible Participant at any time, in such number and on such terms as will be determined by the Committee in its discretion. The exercise price for any Option granted pursuant to the Plan will be determined by the Committee and specified in the Award agreement. The price will not be less than the fair market value of the Common Shares on the day of grant (which cannot be less than the greater of (i) the volume weighted average trading price of the Common Shares on the TSX for the five trading days immediately prior to the grant date; or (ii) the closing price of the Common Shares on the TSX on the trading day immediately prior to the grant date). The Committee may impose such restrictions on Common Shares acquired pursuant to an Option granted under the Plan as it deems advisable.

Options will vest and become exercisable at such times and on the occurrence of such events, and be subject to such restrictions and conditions, as the Committee in each instance approves.

Options will expire at such time as the Committee determines at the time of grant; provided, however that no Option will be exercisable later than the tenth anniversary date of its grant, except where the expiry date of any Option would occur in a blackout period or within five days of the end of a blackout period, in which case the expiry date will be automatically extended to the tenth business day following the last day of a blackout period.

Share Appreciation Rights

Share Appreciation Rights or SARs are the conditional right to receive the difference between the fair market value of a Common Share on the date of exercise over the grant price. The fair market value, being a price that is determined by the Committee, cannot be less than the greater of (i) the volume weighted average trading price of the Common Shares on the TSX for the five trading days immediately prior to the grant date or (ii) the closing price of the shares on the TSX on the trading day immediately prior to the grant date. The Committee may grant SARs to any Eligible Participant at any time and on such terms as will be determined by the Committee in its discretion. The grant price of any SAR granted pursuant to the Plan will be determined by the Committee and specified in the Award agreement. The price will not be less than the fair

market value of the Common Shares on the day of grant. The grant price of a SAR granted in conjunction with Options (“**Tandem SAR**”) will be equal to the option price of the related Option. SARs will vest and become exercisable upon whatever terms and conditions the Committee, in its discretion, imposes. Additionally, Tandem SARs will only be exercisable upon the surrender of the right to receive Common Shares under the related Options. SARs will expire at such time as the Committee determines and, except as determined otherwise by the Committee and specified in the SAR Award agreement, no SAR will be exercisable later than the tenth anniversary date of its grant. However, the expiry date of any SAR shall be extended to the tenth business day following the last day of a blackout period if the expiry date would otherwise occur in a blackout period or within five days of the end of the blackout period.

Upon the exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount representing the difference between the fair market value of the underlying Common Shares on the date of exercise over the grant price. At the discretion of the Committee, the payment upon SAR exercise may be in cash, shares of equivalent value, in some combination thereof, or in any other form approved by the Committee at its sole discretion.

No SARs have been granted by the Company as at the date of this Circular.

Restricted Shares and RSUs

Restricted Shares are awards of Common Shares that are subject to forfeiture based on the passage of time, the achievement of performance criteria, and/or upon the occurrence of other events, over a period of time, as determined by the Committee. Restricted Share Units are similar to Restricted Shares, but provide a right to receive Common Shares or cash or a combination of the two upon settlement. The Committee may grant Restricted Shares and/or RSUs to any Eligible Participant at any time and on such terms as the Committee determines. The Committee may impose such restrictions and conditions on any Restricted Share or RSU granted pursuant to the Plan as it may deem advisable. During the period of restriction, Participants holding Restricted Shares have full voting rights. The Committee may determine that holders of Restricted Shares and/or RSUs be credited with consideration equivalent to dividends declared by the Board and paid on outstanding Common Shares.

Unless otherwise determined by the Committee or as set out in any Award agreement, no RSU will vest later than three years after the date of grant. When a RSU becomes payable, the Company may make payments in settlement of such units in cash, Common Shares of equivalent value, or some other form as determined by the Committee in its discretion.

No Restricted Shares have been granted by the Company as at the date of this Circular. 89,949 RSUs have been granted at the date of this Circular. See Executive Compensation for details of those granted in the last financial year.

Deferred Share Units

DSUs are awards denominated in units that provide the holder with a right to receive Common Shares or cash or a combination of the two upon settlement. The Committee may grant DSUs to any Eligible Participant at any time, in such number and on such terms as will be determined in by the Committee in its discretion.

No DSUs have been granted by the Company as at the date of this Circular.

Performance Shares and PSUs

Performance Shares are awards, denominated in Common Shares, the value of which at the time it is payable is determined as a function of the extent to which corresponding performance criteria have been achieved. PSUs are equivalent to Performance Shares but are denominated in units. The Committee may grant Performance Shares and/or PSUs to any Eligible Participant at any time, in such number and on such terms as may be determined by the Committee in its discretion. Each Performance Share and PSU will have an initial value equal to the fair market value of a Common Share on the date of grant. The Committee will set performance criteria for a Performance Share or PSU in its discretion and the period of time during which the assigned performance criteria must be met. The extent to which the performance criteria is met will determine the ultimate value and/or number of Performance Shares or PSUs that will be paid to the Participant.

The Committee may pay earned Performance Shares or PSUs in the form of cash or Common Shares equal to the value of the Performance Share or PSU at the end of the performance period. The Committee may determine that holders of Performance Shares or PSUs be credited with consideration equivalent to dividends declared by the Board and paid on outstanding Common Shares.

No Performance Shares have been granted by the Company as at the date of this Circular. 324,694 PSUs have been granted at the date of this Circular. See Executive Compensation for details of those granted in the last financial year.

Share-Based Awards

The Committee may, to the extent permitted by the TSX, grant other types of equity-based or equity-related Awards not otherwise described by the terms of the Plan in such amounts and subject to such terms and conditions as the Committee determines; provided that the maximum number of SBAs issued in any calendar year shall not exceed one per cent (1%) of the issued and outstanding Common Shares on January 1 of such calendar year. Such SBAs may involve the transfer of actual Common Shares to Participants, or payment in cash or otherwise of amounts based on the value of Common Shares, subject to applicable corporate law and securities law requirements.

No SBAs have been granted by the Company as at the date of this Circular.

Assignability

Other than Restricted Shares and RSUs, Awards will be non-transferable and non-assignable except as provided in a Participant's Award agreement, by will or by the law of descent and distribution. Such Awards will be exercisable during the Participant's lifetime only by the Participant. Restricted Shares and RSUs will be non-transferable and non-assignable until the end of the applicable period of restriction specified in the Award agreement (and in the case of RSUs until the date of settlement through delivery or other payment), or upon earlier satisfaction of any other conditions as specified by the Committee.

Corporate Reorganisation and Change of Control

In the event of any merger, arrangement, amalgamation, consolidation, reorganisation, recapitalisation, separation, stock dividend, extraordinary dividend, stock split, reverse stock split, split up, spin-off or other distribution of stock or property of the Company, combination of securities, exchange of securities, dividend in kind, or other like change in capital structure or distribution to shareholders of the Company, or any similar corporate event or transaction (a "**Corporate Reorganisation**"), the Committee will make or provide for such adjustments or substitutions as are equitably necessary in: (i) the number and kind of securities that may be issued under the Plan, (ii) the number and kind of securities subject to outstanding Awards, (iii) the price applicable to outstanding Awards, (iv) the total share authorisation, (v) the limit on issuing Awards except as provided for in the Plan, and (vi) any other value determinations applicable to outstanding Awards or to the Plan.

In connection with a Corporate Reorganisation, the Committee will have the discretion to permit a holder of Options to purchase on the exercise of such Option, in lieu of the Common Shares, securities or other property that the holder would have been entitled to receive as a result of the Corporate Reorganisation if that holder had owned all Common Shares that were subject to the Option.

In the event of a change in the control of the Company (a "**Change of Control**"), the Committee will have discretion to cancel all outstanding Options, SARs, and DSUs, and the value of such Awards will be paid in cash. However, no cancellation will occur with respect to an Award if the Committee determines, in good faith, that the Award will be honoured, assumed or substituted by a successor company or affiliate, provided that such honoured, assumed or substituted Award must: (a) be based on stock which is traded on the TSX and/or an established securities market in London, England or the United States; (b) provide such Participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Award; (c) recognise, for the purpose of vesting provisions, the time that the Award has been held prior to the Change of Control; and (d) have substantially equivalent economic value to such Award.

A Change of Control will not result in the vesting of unvested Restricted Shares, RSUs, Performance Shares or PSUs provided that: (i) such unvested Awards will continue to vest in accordance with the Plan and applicable Award agreement; (ii) any successor entity agrees to assume the obligations of the Company in respect of such unvested awards; and (iii) for Performance Shares or PSUs, the level of achievement of performance goals for fiscal years completed prior to the date of the Change of Control will be based on the actual performance achieved to the date of the Change of Control and the level of achievement of performance goals for fiscal years completed following the date of the Change of Control will be based on the assumed achievement of 100% of the performance goals. Where a Participant's employment or term of office or engagement is terminated for any reason, other than for cause, during the 24 months following a Change in Control, any unvested Restricted Shares, RSUs, Performance Shares or PSUs: (i) will be deemed to have vested as at the date of such termination and will become payable as at the date of termination; and (ii) for Performance Shares or PSUs, the level of

achievement of performance goals for any unvested Awards that are deemed to have vested pursuant to (i) above, shall be based on the actual performance achieved at the end of the fiscal year immediately prior to the date of termination.

Procedures for Amending

Except as set out below, and as otherwise provided by law or stock exchange rules, the Plan may be amended, altered modified, suspended or terminated by the Committee at any time, without notice or approval from shareholders, including but not limited to for the purposes of:

- (a) making any amendments to the general vesting provisions of any Award;
- (b) making any amendments to the general term of any Award provided that no Award held by an insider may be extended beyond its original expiry date;
- (c) making any amendments to add covenants or obligations of the Company for the protection of Participants;
- (d) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, it may be expedient to make, including amendments that are desirable as a result of changes in law or as a “housekeeping” matter; or
- (e) making such changes or corrections which are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error.

Amendments requiring the prior approval of the Shareholders are: (i) a reduction in the price of a previously granted Option or SAR benefitting an insider; (ii) an increase to the total number of Common Shares available under the Plan; (iii) an increase to the limit on the number of Common Shares issued or issuable under the Plan to insiders; (iv) an extension of the expiry date of an Option or SAR; and (v) any amendment to the amendment provisions of the Plan.

Other than expressly provided for in an Award Agreement or the Plan, the Committee will not alter or impair any rights or increase any obligations with respect to an Award previously granted under the Plan without the consent of the Participant.

PERFORMANCE GRAPH

The following graph and table (in Canadian dollars) compares the year-end value of the Common Shares of the Company with the S&P/TSX Composite Total Return Index as at December 31 of each year for the last five years on the basis of cumulative total return, assuming a \$100 investment on January 1, 2013:

	31-Dec-13	31-Dec-14	31-Dec-15	31-Dec-16	31-Dec-17
S&P/TSX Composite Index	\$113.94	\$122.40	\$108.82	\$127.88	\$130.37
Common Shares	\$75.00	\$69.00	\$81.00	\$145.00	\$185.00

Over the period January 1, 2013 to December 31, 2017, the total return on the Common Shares increased by 85%; over the same period total compensation paid to NEOs (defined below) increased by 72%. Other than the value accruing to NEOs on the share options that have been granted and their participation in the LTIP (as defined below), the remuneration of NEOs has not been related to the performance of the Common Shares.

EXECUTIVE COMPENSATION

A named executive officer (“NEO”) means each of the following individuals:

- (a) the Chief Executive Officer;
- (b) the Chief Financial Officer;
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the Chief Executive Officer and Chief Financial Officer, at the end of the most recently completed financial year whose total compensation was, individually, more than Can\$150,000, as determined in accordance with subsection 1.3(6) of form 51-102F6, for that financial year.

Compensation Discussion and Analysis

As at December 31, 2017, the NEOs consist of: (i) Steven Curtis, Chief Executive Officer (ii) Mark Learmonth, Chief Financial Officer; (iii) Caxton Mangezi, General Manager and director of the Blanket Mine; (iv) Dana Roets, Chief Operating Officer; and (v) Adam Chester, General Counsel, Company Secretary and Head of Risk and Compliance.

The Company pays and rewards its NEOs in the amounts specifically detailed below. The following comments with respect to the remuneration of the NEOs are provided pursuant to the requirements of National Instrument 51-102 – *Continuous Disclosure Obligations* (“NI 51-102”):

- (a) In providing the compensation, and structuring it with the various elements, the Company’s objective is to reward the NEOs generously enough that they are sufficiently happy with their remuneration that they are keen to stay in the service of the Company and motivated to provide the highest quality services possible.
- (b) The compensation packages of the NEOs contain various elements. The remuneration for each of Messrs. Curtis, Learmonth, Mangezi, Roets and Chester in 2017 consists of a salary and discretionary bonus. Following the approval of the Plan, the NEOs participate in the Plan, the first awards under which were made in 2016. Most of the NEOs held share purchase options which were issued in previous years in terms of the share option scheme which preceded the Plan and all of them exercised all of their remaining options which were outstanding during 2017. All components of executive remuneration are recommended to the Compensation Committee for approval.
- (c) Pursuant to the approval of the Plan by Shareholders, in 2016 and 2017 the Company made long term incentive plan awards to NEOs in the form of RSUs and PSUs (“LTIP”). RSUs and PSUs were originally granted to be settled in cash. Following expressions of interest by certain of the NEOs in accepting shares in payment for some or all of their LTIP awards, which the Board finds to be an encouraging sign of support by NEOs for the Company’s future performance, the Board approved amendments to the LTIP awards on May 8th, 2018 to allow for settlement in cash, shares (issuable at Fair Market Value (as defined in the Plan)) or a combination of both. The awards are intended to create a high degree of alignment between the remuneration of the Company’s senior management team and the interests of Shareholders. Accordingly, 80% of the award value for each participant is made up of PSUs. The final number of PSUs which vest on maturity of the award will be adjusted to reflect the actual performance of the Company in terms of three criteria, all of which are incorporated in the Investment Plan which was announced on 3 November 2014 and as updated in

November 2017: progress on the sinking of the Central Shaft; gold production and production costs. The number of RSUs (which make up 20% of the total award for each participant) that vest will not change according to performance.

- (d) The total annual LTIP award for Messrs. Learmonth, Mangezi, Roets and Chester is 20% of basic salary; the total annual LTIP award for Mr Curtis is 30% of his basic salary. For Messrs. Curtis, Mangezi and Roets, an immediate award was made in January 2016 covering the 3 years 2016 to 2018; further PSUs awards relating to 2019 and 2020 are expected to be made at which time new performance criteria will be established. Mr Learmonth received a one year award covering 2016 only; a further award was made to Mr Learmonth in March 2016 relating to 2017 and 2018. Mr. Learmonth is also expected to receive additional PSUs awards relating to 2019 and 2020. For Mr Chester an immediate award was made in January 2017 covering the 3 years 2017 to 2019; further PSUs awards relating to 2020 and 2021 are expected to be made at which time new performance criteria will be established. In all cases, RSUs and PSUs will vest on the third anniversary of the respective award grant dates.
- (e) Neither of the two executive Directors (Messrs. Curtis and Learmonth) received a fee in 2017 in respect of being a Director.
- (f) The various elements of the compensation of the NEOs have been chosen to make the compensation packages competitive with what is offered by other comparable companies. The actual amounts are settled by negotiations with the NEOs from time to time.

Notwithstanding the fact that the value of the Common Shares have, in some years, declined on the markets on which the Common Shares trade, the compensation levels of the Company's NEOs have increased by amounts which were at, or in excess of, the inflation rates experienced in the countries in which the Company conducts its business activities and in which its shares trade. Other than the value accruing to NEOs as a result of the effect of share price movements on the value of their LTIP awards, the compensation of the Company's NEOs is not determined in relation to the prices at which its Common Shares have traded.

Option-based awards

Share option awards were granted to some of the NEOs in previous years at the discretion of the Compensation Committee pursuant to the terms of the option plan which preceded the Plan but no such options are outstanding as at the date of this Circular. No grants of Options to NEOs are envisaged in terms of the Plan. No restrictions are placed on the ability of NEOs to purchase financial instruments which are designed to hedge or offset a decrease in the market value of equity securities or options granted as compensation or held by the NEO.

Compensation governance

The Company has a Compensation Committee ("**Committee**") which is presently comprised of the following Directors: Leigh Wilson, John Kelly and Johan Holtzhausen. All material issues with respect to compensation of the Directors and officers are considered by the Committee. One or more of the Committee members has direct experience that is relevant to his responsibilities in executive compensation due to either current or past work exposures at a senior level. The Committee has the skills and experience that enables it to make decisions on the suitability of the Company's compensation policies and practices and when it feels it does not have sufficient skills it recruits the services of suitably qualified advisors. The Committee obtains recommendations from the Chief Executive Officer for salary adjustments of other NEOs and either approves the recommendation or seeks external advice to support the recommendations made.

(1) Mr Johnstone retired with effect from August 14, 2017

The Directors are eligible to receive awards in terms of the Plan, but no awards were made during 2017.

The Committee reviews the compensation paid to Directors annually. Based on compensation paid to Directors at other companies comparable to the Company and on the additional risks and responsibilities assumed by the Directors it recommends compensation paid to the Directors. Since June 1, 2009 the fees had been a flat fee per year (Can\$45,000 as of July 1, 2013, changing to be dominated in United States dollars in 2016) plus reimbursement for out-of-pocket expenses incurred in relation to attendance at Board or committee meetings. The Board resolved during 2016 that, in accordance with best practice, non-executive Director fees will be paid in arrears for the calendar year 2017. Following the retirement of Mr Johnstone August 14, 2017, the Board resolved to increase the non-executive Director fees to US\$60,000 per annum for Mr McGloin given his enhanced role as chairman of the Technical Committee of the Board and to US\$55,000 per annum for the other non-executive Directors. The adjustments were made to reflect the contribution of the non-executive Directors as chairmen and members of various committees and the re-allocation of Mr Johnstone's duties following his retirement. Following the fee increases, the aggregate of the non-executive Director fees is unchanged going forwards from that paid to non-executive Directors before Mr Johnstone's retirement.

No restrictions are placed on the ability of Directors to purchase financial instruments which are designed to hedge or offset a decrease in the market value of equity securities or options granted as compensation or held by the Director.

Since June, 2003 the Company has maintained Directors and Officers Liability insurance for Directors and officers of the Company and its affiliates. The present coverage is of US\$20,000,000 per occurrence and in the aggregate. The annual premium for such Directors and Officers Liability insurance was US\$44,100.

CORPORATE GOVERNANCE PRACTICE

The Company is subject to Canadian National Instrument 58-101 - *Corporate Governance Disclosure* (“**NI 58-101**”). NI 58-101 requires a company to include in its management information circular the disclosure required by Form 58-101F1. Appendix “A” provides certain corporate governance disclosure in respect of the Company.

Mandate of the Board

The Board of Directors is responsible for the overall stewardship of the Company, and has full power and authority to manage and control the affairs and business of the Company. The mandate of the Board of Directors is detailed in the “Charter of the Board of Directors” which is attached as Appendix “B”.

Amongst other things, the Board is responsible for:

1. selecting, appointing, evaluating and (if necessary) terminating the Chief Executive Officer and Chief Financial Officer of the Company and selecting, appointing, evaluating and (if necessary) terminating the chairperson of the Board;
2. adopting a strategic planning process, approving strategic plans and monitoring performance against plans;
3. reviewing and approving annual operational budgets, capital expenditure limits and corporate objectives and monitoring performance on each of the above;
4. reviewing policies and procedures to identify business risks and ensure that systems and actions are in place to monitor them;
5. reviewing policies and processes to ensure that the Company’s internal control and management information systems are operating properly;
6. approving the financial statements and MD&A, and making a recommendation to shareholders for the appointment of auditors;
7. approving the Company’s Code of Business Conduct, Ethics and Anti-Bribery Policy, monitoring compliance with the code and granting any waivers from the code for the benefit of Directors or officers of the Company in accordance with applicable requirements of securities regulatory authorities or the Toronto Stock Exchange;
8. assessing the contribution of the Board, committees and all Directors annually and planning for succession of the Board;
9. evaluating the relevant relationships of each independent Director and making an affirmative determination that such relationship does not preclude a determination that the Director is independent;
10. arranging formal orientation programs for new Directors, where appropriate, and a continuing education program for all Directors;
11. establishing and maintaining an appropriate system of corporate governance including practices to ensure the Board functions effectively and independently of management, including reserving a portion of all Board and its committee meetings for in camera discussions without management present;
12. reviewing and approving the compensation of members of the senior management team, as well as corporate objectives and goals applicable to each member, in order to ensure that the compensation is competitive

within the industry, the composition mix (i.e., between cash, short-term incentives and long-term incentives) is appropriate to incentivize and reward each member relative to his or her responsibilities and the Company's objectives and goals and the form of compensation aligns the interests of each such individual with those of the Company;

13. ensuring that an adequate system of internal control is maintained to safeguard the Company's assets and the integrity of its financial and other reporting systems;
14. ensuring that there is in place a system of internal disclosure controls and procedures that, among other things, creates a disclosure charter setting out the Company's disclosure policy and mandates activities relating to public disclosure, ensures all material information is properly gathered, reviewed and disseminated, and monitors and evaluates compliance with, and the effectiveness of, such controls and procedures;
15. adopting a process for Shareholders and other interested parties to communicate directly with the Board or the independent Directors, as appropriate;
16. reviewing and considering for approval all amendments or departures proposed by management from established strategy, capital and operating budgets, or matters of policy, which diverge from the ordinary course of business;
17. ensuring that a process is established that adequately provides for management succession planning, including the appointing, training, and monitoring of management;
18. being responsible for information technology governance;
19. in addition to the above, adhering to all other Board responsibilities as set forth in the Company's articles of association and other statutory and regulatory requirements.

The Board holds regular meetings and additional meetings to address special items of business. The frequency of meetings, as well as the nature of agenda items, changes depending upon the state of the Company's affairs and in light of opportunities or risks which the Company faces. On average the Board has met approximately 8 times per year during the past five years. In 2017, the Board met 6 times.

As part of the Board's responsibility for the strategic planning process of the Company, the Board considers and, where appropriate, adopts the goals of the business that are proposed by management and the strategies and policies within which the Company is managed. Management is required to seek the approval of the Board for material deviations, financial or otherwise, from the approved business goals, strategies and policies of the Company.

Director Tenure

It is proposed that each of the persons appointed as a Director at the Meeting will serve until the close of the next annual general meeting of the Company or until his successor is elected or appointed. The Board of Directors has not adopted a term limit for Directors. The Board believes that the imposition of director term limits on a board may discount the value of experience and continuity amongst board members and runs the risk of excluding experienced and potentially valuable board members. The Board relies on an annual assessment procedure in evaluating Board members and believes that it can best strike the right balance between continuity and fresh perspectives without mandated term limits.

Board Composition

The Board believes that the extensive knowledge of the Company's business by both the independent and the non-independent Directors is beneficial to the other Directors and their participation as Directors contributes to the effectiveness of the Board. The Board further believes that the business knowledge and experience, particularly in the context of activities in Southern Africa, brought by Messrs. Curtis and Holtzhausen is most valuable to the other Directors as a whole.

The Board considers that its current composition is efficient and appropriate considering the extent of the Company's activities and the location of the properties on which most of its activities are conducted. The Board has concluded that four (4) of the six (6) Directors, Messrs. Wilson, Holtzhausen, McGloin and Kelly are independent Directors within the meaning of the NI 58-101 definitions.

Majority Voting Policy

The Board of Directors adopted a Majority Voting Policy dated February 15, 2013 (the "**Majority Voting Policy**"). Pursuant to the Majority Voting Policy, if a Director nominee had more votes withheld than were voted in favour of him or her, such nominee must have forthwith submitted his or her resignation to the Board of Directors, effective on acceptance by the Board. The Board would refer the resignation to the Corporate Governance Committee for consideration. The Board would promptly accept the resignation unless the Corporate Governance Committee determined that there were extraordinary circumstances relating to the composition of the Board of Directors or the voting results that should delay the acceptance of the resignation or justify rejecting it. In any event, the resignation would be accepted (or in rare cases rejected) within 60 days of the meeting. Following the Board of Directors' decision on the resignation, the Company would promptly issue a press release disclosing the Board's decision. The Majority Voting Policy did not apply to an election that was contested.

The enclosed proxy form includes 'for', 'against' and 'abstain' options for voting, in accordance with voting methods typical to a Jersey incorporated company, rather than using the previous 'in favour' and 'vote withheld' options typical of a Canadian incorporated company. An abstention under Jersey law is not counted for the purposes of calculating a vote and is not included in calculating a quorum. The Majority Voting Policy is not relevant to the extent that the new voting options are used and, instead, if a Director receives more votes 'against' than 'for' his reappointment his appointment will simply be terminated without any requirement to tender his resignation.

Diversity

The Nomination Committee considers diversity in the composition of the Board of Directors and periodically reviews the composition of the Board as a whole to recommend, if necessary, measures to be taken so that the Board reflects the appropriate balance of diversity, knowledge, experience, skills and expertise required for the Board as a whole. Accordingly, while the Board of Directors has not adopted a written policy nor targets relating to the identification and nomination of women directors, the Board of Directors does take into consideration a nominee's potential to contribute to diversity within the Board of Directors. Given that diversity is part of determining the overall balance, which includes gender, the Board has not adopted a gender specific policy target.

The Nomination Committee recognises the value of diversity. Currently, the Board of Directors is comprised of male Directors; however, the Board continues to consider female nominees for any Board of Directors vacancies, provided that such nominees meet the needs of the Company in relation to her attributes and skills.

Consistent with the Company's approach to diversity at the Board level, the Company's hiring practices include consideration of diversity across a number of areas, including gender. Currently all of the executive officer positions of the Company, including its major subsidiaries, are held by men. The Company does not have a target number of women executive officers. Given the small size of its executive team, the Company believes that implementing targets would not be appropriate. However, in its hiring practices, the Company considers the level of representation of women in executive officer positions.

Board Committees

The Board of Directors has seven standing committees: the Audit Committee, the Compensation Committee, the Corporate Governance Committee, the Nomination Committee, the Disclosure Committee, the Technical Committee and the Strategic Planning Committee. The Board also constitutes ad hoc committees from time to time for particular purposes.

Audit Committee

The Audit Committee is comprised of Messrs. Holtzhausen, McGloin and Kelly and is chaired by Mr Holtzhausen. Each member of the Audit Committee is considered independent as defined under NI 52-110 and considered to be financially literate as such terms are defined under National Instrument 52-110 Audit Committees. Mr Holtzhausen is an ex-audit partner of KPMG Inc., Mr McGloin was previously the executive chairman and chief executive officer of Amara Mining Plc and Mr Kelly has over 30 years of experience in the financial services industry in the U.S.A and international markets including emerging markets in Asia. The Audit Committee is responsible for assisting the Board in its oversight of the:

1. integrity, adequacy and timeliness of the Company's financial reporting and disclosure practices;
2. processes for identifying the principal financial risks of the Company and the control systems in place to monitor them;
3. compliance with legal and regulatory requirements related to financial reporting;
4. independence and performance of the auditors;
5. processes implemented by management to ensure effective internal controls over financial reporting;
6. enterprise risk management;
7. fraud risks related to financial reporting;
8. risks related to financial reporting; and
9. integrated reporting.

The Board has adopted an "Audit Committee Charter" which is attached as Appendix "C".

The following table sets out the Company's external auditor's fees billed for its services for the last two financial years of the Company:

Financial year	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
2017	179,588			10,508
2016	334,996	-	18,012	2,498

The Board does not formally monitor compliance with the Code but the Code obliges Directors, officers and employees to report unethical behaviour including bribery and corruption to the Company’s Anti-Bribery Officer, includes a “whistleblower hotline”, requires the business to maintain gift and hospitality registers and also to perform due diligence on significant third party suppliers and contractors and also contains general guidance on anti-bribery. Directors have been given training on the contents of the Code and would normally be alert to any violation of the Code through the typical reporting structure of the business and because the Code has been formally circulated to and acknowledged by staff who are expected to be aware of and comply with its provisions. There were no reported incidents relating to the Company’s Code of Business Conduct, Ethics and Anti-Bribery Policy or the predecessor of the Code (which included a code of ethics, whistleblower policy and anti-bribery policy adopted in 2004).</p>

The Company's general counsel is mandated by the Board to provide training to current and future staff of the Company's group on ethical conduct and in particular on awareness and understanding of the Company's Code of Business Conduct, Ethics and Anti-Bribery Policy.

8. Other Board Committees If the Board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.	<p>(i) The primary role of the Corporate Governance Committee is to develop and implement corporate governance principles and policies established by the Board and to ensure that these principles are regularly reviewed, updated and adhered to.</p> <p>(ii) The function of the Disclosure Committee is to maintain a current awareness of the disclosure requirements applicable to publicly traded companies and as required by the rules of the Toronto Stock Exchange and other securities regulatory authorities having jurisdiction. 1. **Mandate**

The board of directors (the "Board") of Caledonia Mining Corporation Plc ("Caledonia" or the "Corporation") is responsible for overseeing the management and business affairs of Caledonia and makes all major policy decisions. It may delegate certain of its authority and responsibilities to Board committees ("Committees") or management of Caledonia ("Management"). Nonetheless, the Board will retain full effective control over the Corporation.

2. **Applicable laws and guidelines**

Caledonia endorses and is committed to the principles of good corporate governance and corporate citizenship. Caledonia has therefore prepared this charter of the Board (the "Charter") with reference to the laws, codes and guidelines that apply in the jurisdictions which are most relevant to Caledonia (i.e. Jersey, the UK, Canada and the USA) including the following specific laws and guidelines:

- the UK Corporate Governance Code September 2014;
- OECD Principles of Corporate Governance 2004;
- the National Policy 58-201;
- Companies (Jersey) Law 1991;
- Corporate Governance Guidelines Related Documents: National Instrument 52-110 Audit Committees;
- National Instrument 58-101 Disclosure of Corporate Governance Practices;
- Form 58-101F1 Corporate Governance Disclosure;
- Amendment Instrument for National Instrument 58-101 Disclosure of Corporate Governance Practices; and
- The Sarbanes-Oxley Act governance requirements as are relevant in terms of the listing of Caledonia's shares on the NYSE American LLC.

The provisions set out in this Charter are subject to and must also be read in conjunction with the Corporation's articles of association, the rules of the Toronto Stock Exchange, the NYSE American LLC Company Guide and AIM Rules for Companies of the London Stock Exchange plc, the rules of any other applicable securities exchange or any other applicable regulatory body and any other applicable law, rule or regulation (collectively "the Applicable Laws") and with due regard to the recommendations of the codes, rules and requirements outlined above.

In addition, because of its widespread international acceptance, the Charter has also been prepared with regard to the King Report on Governance for South Africa 2009, the King Code of Governance Principles ("King III").

In the event of any ambiguity, discrepancy or conflict between this Charter and any of the Applicable Laws, the Applicable Laws shall prevail.

3. **Composition**

The Board needs to achieve an appropriate mix of executive and non-executive directors (each a "Director") who collectively have the knowledge, skills and experience required to carry out the role and responsibilities of the Board.

The Board must include a majority of individuals who qualify as independent Directors. The Board must meet all applicable legal and regulatory requirements.

Directors can be elected by the Board or by shareholders and all are subject to re-election annually by shareholders at the annual general meeting.

4. Membership

- 4.1 The Board shall comprise no less than three members but is not subject to any maximum number. The NYSE American LLC requires that the Board is comprised of a majority of independent Directors.
- 4.2 The Board will appoint from among its members a chairperson (the “Chairperson”).
- 4.3 The role of the Chairperson will be separate to the role of Chief Executive Officer (“CEO”).
- 4.4 The Chairperson will be a non-executive Director and preferably an independent non-executive Director.
- 4.5 The Chairperson should be elected by the Board each year (recommended to occur immediately after each annual general meeting).
- 4.6 The Chairperson should not be an employee of any company within the Corporation. The Chairperson should also not be a member of the Audit Committee of the Corporation. The Chairperson should not have been the CEO in the last 3 years.
- 4.7 Each Director shall:
 - 4.7.1 acquire the basic knowledge and understanding of the business of the Corporation as well as the laws, regulations and rules that govern the activities of the business;
 - 4.7.2 have a fiduciary duty to the Corporation;
 - 4.7.3 perform their functions with such diligence, skill and care as a reasonably prudent person would exercise in comparable circumstances; and
 - 4.7.4 uphold the highest degree of ethics at all times.
- 4.8 The Board will in considering its size take cognisance of the knowledge, skills and resources required for conducting the business of the Board and its committees.
- 4.9 The Board will take responsibility for appointing the CEO and any new Director to take office on the Board with the assistance of the Nomination Committee of the Corporation.

5. Meetings and proceedings

- 5.1 The agenda for Board meetings shall contain standing business reporting items. At a prior meeting, or through the office of the Chairperson, any Director may request additional items for inclusion on the agenda.
- 5.2 All reports and material for approval by the Board shall be delivered at least 48 hours in advance of a Board meeting in rush circumstances, and seven days for regular reporting, unless extenuating circumstances, as approved by the Chairperson, dictate otherwise.
- 5.3 If the Chairperson is not present at a Board meeting and cannot be contacted, the Directors present must appoint a chairperson for the meeting from amongst the non-executive Directors present at such meeting.
- 5.4 Board meetings shall normally be held and chaired in Jersey which shall be attended in person by a majority of the Directors, unless the Chairperson decides that there are no important decisions pending on the agenda, in which case Directors and invitees may participate in the Board meeting through the use of a conference telephone, video conference or other communication equipment by means of which all persons participating in the meeting can hear each other at the same time, provided that a majority of the Directors attend the meeting in person. Such participation constitutes attendance and presence in person at the meeting, forming part of the quorum necessary in the meeting.
- 5.5 In the event that the Directors attend Board meetings via telephone or video conference, such virtual meetings shall be set-up from Jersey, chaired by the Chairperson (provided that he is not in South Africa), minuted and documented by the secretary of the Corporation (the "Company Secretary") in Jersey and the information that Directors need to consider in preparation for such a meeting should be disseminated from Jersey.
- 5.6 All proceedings at Board meetings must be minuted, evidencing that matters were substantially debated and decided, and all committee documents, information and minutes of previous Board meetings must be distributed to the Directors present at such meeting.
- 5.7 Within five business days of a meeting the Company Secretary will aim to circulate the minutes for review and comment.

6. Attendance at meetings

- 6.1 The Board should meet at least four times per year. Any Director may request a meeting of the Board with no Management in attendance.

- 6.2 Directors should use their best endeavours to attend the Board meetings and to be properly prepared to participate in Board discussions and or be able to consider information/issues at such meetings.
- 6.3 Professional advisors, officers or members of staff whose input may be required or who may be invited for the purpose of, inter alia, capacity building for potential Directors may be invited to the meetings at the discretion of the Chairperson.
- 6.4 Management (who are not executive Directors) may attend Board meetings to facilitate communication between Management and the Board.
- 6.5 Directors unable to attend a Board meeting should advise the Chairperson and the Company Secretary timeously.
- 6.6 The Chairperson may excuse from the meeting or from any item on the agenda any of the attendees at a meeting who may have or may be considered by the Board to have a conflict of interest. In such circumstances, the Director concerned should leave the boardroom while that item is discussed.
- 6.7 The Chairperson may for good reason request executive Directors to leave the boardroom for any part of the Board meeting. This is especially so during deliberations relating to executive performance and remuneration.
- 6.8 No invitee shall have a vote at meetings of the Board.

7. Quorum

- 7.1 The quorum necessary for the transaction of the business of the Board may be fixed by the Board and unless so fixed at any other number shall be a simple majority of the Directors.
- 7.2 Subject to the Articles of Association, any Director who ceases to be a Director at a Board meeting may continue to be present and to act as a Director and be counted in the quorum until the termination of the Board meeting, if no other Director objects and if otherwise a quorum of Directors would not be present.

8. Remuneration

- 8.1 Each of the Directors, other than the executive Directors who for the time being hold an executive office or employment with the Corporation, shall be paid a fee for his service at such rate as may from time to time be determined by the Board or by the Compensation Committee authorised by the Board. Such fee shall be deemed to accrue from day to day.

- 8.2 The Board will ensure that the Company's 20-F and any voluntary annual reporting contains full disclosure of the remuneration of each Director and certain senior executives as prescribed by law or in terms of best practice, as adopted by the Corporation for this purpose

9. Written resolutions

- 9.1 In the event a resolution is to be passed by way of written consent rather than a meeting of the Board, a brief summary of the background and purpose of the resolution will be provided to the Directors in writing (or in the resolution itself).
- 9.2 The resolution will be signed by all the Directors then in office or by all the members of the relevant committee of the Board.
- 9.3 The resolution shall be as valid and effectual as if it had been passed at a meeting of the Board or that committee duly convened and held and may be contained in one or more documents each signed by one or more of the Directors or members of that committee. Any such document(s) may be constituted by letter or in electronic form or otherwise as the Board may from time to time approve.
- 9.4 No important decisions of the Board should be taken by such a written resolution without having been considered by the Directors at a Board meeting.

10. Independent Directors

- 10.1 An independent Director (an "Independent Director") is a non-executive Director who:
- 10.1.1 is not a representative of a shareholder which has the ability to control or significantly influence the Board or the Management;
 - 10.1.2 does not have a direct or indirect interest in the Corporation which exceeds 5% (five percent) of the Corporation's total number of shares in issue;
 - 10.1.3 has a direct or indirect interest in the Corporation which is less than 5% (five percent) of the Corporation's total number of shares in issue and such interest is not material to his personal wealth;
 - 10.1.4 has not been employed by Caledonia in any capacity or been engaged as the designated auditor or has been a partner in Caledonia's external audit firm or has served as a legal adviser to Caledonia for the preceding 3 (three) financial years;
 - 10.1.5 is not a member of the immediate family of an individual who is, or has during the preceding 3 (three) financial years been, employed by Caledonia in an executive capacity;

- 10.1.6 is not a professional adviser to Caledonia;
- 10.1.7 is free from any business or other relationship (contractual or statutory) which could be seen by an objective outsider to interfere materially with the individual's ability to act in an independent manner such as being a director of or having a material financial interest in a customer of or a supplier to Caledonia or its group of companies;
- 10.1.8 has not accepted or has an immediate family member who has accepted any compensation from Caledonia in excess of US\$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:
 - 10.1.8.1 compensation for Board or Board committee service;
 - 10.1.8.2 compensation paid to an immediate family member who is an employee (other than an executive officer) of Caledonia; or
 - 10.1.8.2 benefits under a tax-qualified retirement plan, or non-discretionary compensation;
- 10.1.9 a Director who is, or has an immediate family member who is, a partner in, or a controlling shareholder or an executive officer of, any organisation to which Caledonia made, or from which Caledonia received, payments (other than those arising solely from investments in Caledonia's securities or payments under non-discretionary charitable contribution matching programs) that exceed 5% of Caledonia's consolidated gross revenues for that year, or US\$200,000, whichever is more, in any of the most recent three financial years;
- 10.1.10 a Director who is, or has an immediate family member who is, employed as an executive officer of another entity where at any time during the most recent three financial years any of Caledonia's executive officers serve on the compensation committee of such other entity; or

although it should be noted that the above is a non-exhaustive list.

- 10.2 Independent Directors should not merely be independent but must be perceived as being independent by any reasonably informed outsider.

- 10.3 Independent Directors should be independent in character and judgement and there should be no relationships or circumstances which are likely to affect or could appear to affect such independence.
- 10.4 A balance should be sought between continuity in the composition of the Board, subject to performance and eligibility for re-election as well as considerations of independence and the need for the introduction of new ideas.
- 10.5 The re-appointment of any non-executive Director which would have the effect of his or her total term of office exceeding 9 (nine) years must be considered, with due regard to the length of office of such Director possibly negatively affecting his or her independence.
- 10.6 An Independent Director may serve longer than 9 (nine) years if, after an assessment by the Board, there are no relationships or circumstances likely to affect, or appear to affect, that Director's objective judgement and independence. Such assessment must show that that Director's independence of character and judgement are not in any way affected or impaired by his or her length of service. A statement to this effect should be included in Caledonia's integrated annual report.
- 10.7 The Board must evaluate the 'independence' of those non-executive Directors that are classified as being independent and in particular, and in accordance with the NYSE American LLC Company Guide, must affirmatively determine that the Director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a Director.
